6. [redacted] I met with Mr. Charles Johnson, Staff Director, House Post Office and Civil Service, who apologized for the Committee's inability to include in the conference report necessary authority for retroactive adjustment of salary. Mr. Johnson indicated that on review of the conference report Mr. Lewis Deschler, Parliamentarian of the House, ruled that the provision would be subject to a point of order. Upon inquiry, Mr. Johnson advised that further Committee assistance is not possible at this time since no further meetings of the Committee will be scheduled. 25X1

7. [redacted] Met with Mr. William Gulledge, Staff Director, Senate Post Office and Civil Service Committee, and discussed the possibility of inclusion of appropriate authorizing language in one of the items of legislation previously passed by the House of Representatives and now pending before the Senate Committee. Mr. Gulledge agreed that this might be a possibility if further legislation is considered by the Committee. There is no firm date as yet for such a meeting. 25X1

After passage of the conference report I was accompanied by Mr. [redacted] Legal Adviser, NSA, to a meeting with Mr. Gulledge. Mr. Gulledge indicated that he would appreciate being advised of the number of agencies involved, and in particular the number of persons affected by this legislation. The matter of inclusion of appropriate authority in other legislation will receive further consideration by the Committee. (See Memorandum for the Record for details.) 25X1
